PowerSchool Parent/Guardian Portal Access Information—New Accounts

We are pleased that our school can provide access to your student's current assignments, grades, and attendance via the Internet. We hope that access to this information will help us become closer partners in your student's education experience.

In a separate letter, you will be provided with a unique Access ID and Access Password to create an account to access your student's information. Please keep this information confidential. Please do not divulge the username or password to your child or anyone else for security purposes.

The web address for the Parent/Guardian portal is: <https://drvcpowerschool.org>

1. **Log-in screen:** you will need the parent portal Access ID and Access Password for your student(s).
2. Select the **Create Account** tab on the Parent Portal web page.

The screenshot shows the PowerSchool login interface. At the top, the PowerSchool logo is visible. Below it, the heading "Student and Parent Sign In" is displayed. There are two buttons: "Sign In" and "Create Account". The "Create Account" button is circled in red, and a red arrow points to it from the right side of the page. Below the buttons, there is a "Select Language" dropdown menu set to "English". Below that are input fields for "Username" and "Password". A link for "Forgot Username or Password?" is located below the password field. A "Sign In" button is located at the bottom right of the form area.

3. Enter all information required to create your parent/guardian access account (First Name, Last Name, Email, Desired Username—**not the same as your email address**—Password, and Reenter Password), then enter the information you received in a separate letter for each student (Student Name, Access ID, Access Password, and your Relationship to the student). If you have more than one student, you may enter all students in this area.

The screenshot shows the PowerSchool 'Create Parent Account' form. At the top left is the PowerSchool logo. The form is divided into two main sections: 'Create Parent Account' and 'Link Students to Account'. The 'Create Parent Account' section contains input fields for First Name, Last Name, Email, Desired Username, Password (with a separate field for Re-enter Password), and a note that the password must be at least 6 characters long. The 'Link Students to Account' section includes a heading 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account' and a numbered list (starting with '1') of input fields for Student Name, Access ID, Access Password, and a dropdown menu for Relationship.

4. Then scroll down and select “Enter” at the bottom right corner of the page.

5. Return to the Parent/Guardian Sign-in screen at <https://drvcpowerschool.org> and use the Username and Password you created for your parent portal access account.
6. Once you log-in to your account, you will see the screen below, which gives you access to the student's information
 - a. Classes and Attendance
 - b. To view information about assignments, select the [i] (or grade if the trimester has ended) next to the class.

If you have more than one student that is in a grade with parent access provided, you may switch between student information screens with one log-in.
